

# CALL FOR COURSE PROPOSALS

## BU Summer Term Pre-College 2027

**Boston University Summer Term** seeks instructors to **develop and teach** courses for our 2027 summer pre-college programs for academically ambitious high school students ages 14-17. Courses may be taught by a single instructor or by a team of instructors who share teaching duties. Proposed courses should reflect your expertise and teaching interests. Proposals are welcome from the following subject areas:

- Biosciences
- Medicine/Pre-med
- Health Sciences
- Public Health
- Sports business/management
- Sports medicine/physiology
- Engineering (any field)
- Finance
- Marketing/Advertising
- Leadership
- Mathematics
- Psychology (any subfield)

Current BU faculty (full- or part-time), staff, lecturers, postdocs, and emeriti as well as qualified external candidates are encouraged to submit a proposal. As a condition of hire, final candidates must successfully complete a background check and be eligible to work in the US (we do not provide visa sponsorship for these programs).

### PROGRAM DETAILS

Summer Term Pre-College offers several programs for high school students ages 14-17. For 2027, we seek new course proposals for the following programs.

- **Summer Challenge** (two-hour seminars M-F, 2 weeks)
- **Academic Immersion** (single-subject experiential courses M-F, 3 weeks)

### HOW TO SUBMIT A PROPOSAL

- **Visit** the Summer Term Pre-College Job Opportunities page for complete details at [bu.edu/summer/careers](https://bu.edu/summer/careers)
- **Download** and review our [2027 Guide to Pre-College Course Proposals](#)
- **Register** for our optional [online Information Session on September 15, 2026](#) at 12 – 1pm Eastern. A recording of the Information Session will be posted on the Job Opportunities page for those unable to join.
- **Submit** your proposal through our [online Course Proposal Form](#) by 12pm on **September 28, 2026**.
