

RISE - Academic Schedule 2026

On the first day of class, Program Assistants or your RISE Mentor will take you to your classroom or lab after the luncheon. From then on, it is your responsibility to get to your classes and labs **ON TIME!**

Monday MORNING Workshops:

ALL RISE students will participate in weekly workshops that will introduce them to Boston's lively scientific community. All workshops will take place in the morning, roughly between 9:30 and 11:30 am. The Monday afternoon activities for Practicum will be shared weekly via email.

Dates	Site	Room
Monday 6/29	RISE Program Orientation / Welcome Luncheon	HAR 105 / GSU Metcalf Ballroom
Monday 7/6	Research Ethics and Responsibility / BU Admissions Talk	HAR 105
Monday 7/13	Interactive Lesson on Research Misconduct / Scientific Career Journey	HAR 105
Monday 7/20	Abstracts and Posters / Arts of Science Competition	HAR 105
Monday 7/27	STEM Careers & ORISE Fellowship / Why STEM Students Get Stuck Explaining Their Work	HAR 105
Monday 8/3	Elevator Pitches Workshop	HAR 105

Daily Class Schedule for RISE Internship:

Tuesday through Fridays, RISE Internship students will go to lab from 9:00 am to 5:00 pm. On Mondays, interns will attend the morning workshops until 11:30 and then go to lab from 1:00 pm to 5:00 pm. Please note that RISE Interns are responsible to getting to and from their internship.

Daily Class Schedule for RISE PRACTICUM (Tuesday to Friday):

- Morning Seminars: 9:30 – 11:30 am
- Lunch: 11:30 – 1:00 pm
- Afternoon Activities: 1:00 – 5:00 pm
- Homework needs to be completed either in the afternoon or evening

***REMINDER: There is NO CLASS or LAB on July 3rd**

RISE Practicum 1 - Computational Neurobiology

Activities Schedule and Locations

Practicum 1: Computational Neurobiology		
Week	Session	Room
June 29	Luncheon (12 - 2 pm)	GSU Metcalf Ballroom
All weeks	Morning Lectures	CAS 522
June 30 - July 10 (Tuesday - Friday)	Wet lab	SCI 109 (1-2pm) SCI 427 and 426 (2-5pm)
July 14 - August 6 (Tuesday - Friday)	Computational lab	CAS B20 and CAS 326

Week	Monday Afternoon Practicum 1 Neuroscience*
June 29	• Pre Lab Setup: 2 pm • Campus Tour (optional): 11 am or 5 pm
July 6	• BU Cognitive Neuroimaging Center • BU EPIC Tours
July 13	• Broad Discovery Center
July 20	• BPGbio • BIOGEN
July 27	• Alnylam
August 3	• Koch Institute Gallery Tour

***Activities are subject to change. A weekly email will be sent with complete details**

RISE

RISE - Practicum 2 Data Science

Activities Schedule and Locations

Practicum 2: Data Science		
Week	Session	Room
June 29	Luncheon (12-2pm)	GSU Metcalf Ballroom
All weeks (Tuesday to Friday)	Morning Lectures	CDS B62
All weeks (Tuesday to Friday)	Computational lab	CAS 226

Week	Afternoon Practicum 2 Data Science
June 29	• Pre Lab Setup: 2 pm • Campus Tour (optional): 11 am or 5 pm
July 6	• Data Science at BU Day
July 13	• WHOOP • Wayfair
July 20	• MIT MUSEUM
July 27	• Koch Institute Gallery Tour
August 3	• Broad Discovery Center

***Activities are subject to change. A weekly email will be sent with complete details**
